Pharmaceutical Disposal Drop Box

Thanks to a generous donation by the Carbon County Green Team, the Price City Police Department is able to provide a pharmaceutical disposal drop off box.

The drop box is located in the lobby of our building at 910 North 700 East. The lobby is open 8 am to 5 pm, Monday through Friday, excluding holidays.

Any expired or unneeded medications or prescriptions are accepted for disposal. Please do not dispose of needles or sharps in this box.

The drop box is intended for private citizens only – we request that medical professionals not use the box at this time.

By using the drop box you will eliminate the danger of a child or visitor gaining access to them. It will also help to keep our streams and waterways free of pharmaceutical contaminants.
