**PARADE SAFETY PROCEDURES ON FOLLOWING PAGE.**

**Price City Police Department**  
**PARADE SAFETY PROCEDURES MEMORANDUM**

**TO:** PARADE ENTRIES  
**FROM:** POLICE CHIEF A.K. SHILAO S

1. **Do not throw any material from a moving vehicle, this includes candy.** **Will be strictly enforced & could result in disqualification.** Children run out to the vehicle and are exposed to injury. Individuals can walk along the sides of the street to handout items as long as crowd is kept away from moving vehicles.
2. Any motorized vehicle must be operated by a person who is certified to drive the unit. This includes four wheelers, small electric cars and go carts. **Anyone under the age of 18 years old must wear a helmet-----NO EXCEPTIONS!!!**
3. Prior to and at the end of the parade, all traffic rules apply, including riding on hoods and on the top of vehicles and trailers.
4. All units or marching groups should use routines that do not cause large gaps in the parade procession.
5. All motorized vehicles should have proper registrations if required by law. All motorized vehicles should be insured as dictated by Utah State Law.
6. All operators of parade units will abide by directions given to them by police officers.
7. Animals that are part of the parade should be properly cared for and placed in areas where they would not be exposed to loud noises or sudden movements.
8. Fireworks are not permitted on the parade route.
9. Sudden accelerations or stopping of any type of motorized vehicle is not permitted.
10. The first vehicle in the parade will be a marked police vehicle. This is a safety procedure used by the City. If a citizen's vehicle becomes trapped between a block or turns into the parade flow, this police vehicle can clear the parade route.
11. The parade should begin precisely on time. All units should be lined up and ready to move. The police vehicle will move onto the parade route and signal all the traffic officers on the parade route that the parade is about to begin.
12. Individuals riding on the floats or vehicles should be seated or standing in such a manner that sudden stops or starts would not be hazardous, especially small children.
13. All floats participating in the parade should be constructed of flame resistant material. They will be subject to inspection by the Fire Chief.
